The Government has adopted

ACTION PLAN FOR THE IMPLEMENTATION OF THE STRATEGY FOR CREATING AN ENABLING ENVIRONMENT FOR DEVELOPMENT OF CIVIL SOCIETY IN THE REPUBLIC OF SERBIA FOR THE PERIOD 2022-2030, FOR THE PERIOD 2022–2023

1. INTRODUCTION

The Action Plan for the implementation of the Strategy for Creating an Enabling Environment for Development of Civil Society in the Republic of Serbia for the period 2022–2030 for the period 2022-2023 (hereinafter: Action Plan) is a public policy document which is an integral part of the Strategy for Creating an Enabling Environment for Development of Civil Society in the Republic of Serbia 2022–2030 (*The Official Gazette of the Republic of Serbia*, No. 23/22) (hereinafter: Strategy), and was adopted at the Government session on 3 February 2022. The Action Plan contains an overview of overall and specific objectives and measures for exercising the defined objectives and measures, the authorities implementing the activities and their partners in implementing the activities, indicators, deadlines for the implementation of activities, sources of financing, and other methodological parameters.

The Action Plan contains the overall objective of the Strategy and four specific objectives.

Overall objective: Existing mechanisms for creating an enabling environment for the activities of civil society organizations strengthened and new mechanisms introduced

Specific objectives:

Specific objective 1: Ensure greater involvement of the civil sector in the decision-making process at all levels of government

Specific objective 2: Improved transparent financing and sustainability of the civil sector;

Specific objective 3: Ensure greater participation of CSO in the socio-economic development and acting in accordance with the principles of sustainable development;

Specific objective 4: Ensure greater participation of CSO in the European integration process.

2. PROCESS OF DRAWING UP THE ACTION PLAN

After adopting the Strategy, the Special Working Group for the -development of the Draft Action Plan for the implementation of the Strategy for an Enabling Environment for Development of Civil Society in the Republic of Serbia for period 2022–2030, for the period 2022-2023, consisting of representatives of state administration bodies, independent bodies and civil society organisations, as well as representatives of international organisations in the capacity of observers of the process of the development of the Action Plan, started to work on the development of the Draft Action Plan.

The process of development of the Draft Action Plan included a consultative process for representatives of associations and other civil society organisations, scientific research organisations, professional and other organisations, as well as representatives of state bodies and provincial bodies, local self-government bodies, representatives of economic operators and other stakeholders. A call for suggestions and comments during the consultations was published at the eConsultations portal, as well as on the website of the Ministry of Human and Minority Rights and Social Dialogue. Suggestions and comments relevant for drawing up the Action Plan could be submitted by any interested parties between 15 and 22 March 2022. The Report of the Consultation was uploaded on the website of the Ministry of Human and Minority Rights and Social Dialogue and the eConsultations portal.

The process of further development of the Draft Action Plan included a public debate. The Programme of Public Debate on the Draft Action Plan for the implementation of the Strategy for Creating an Enabling Environment for Development of Civil Society in the Republic of Serbia for period 2022–2030, for the period 2022-2023, with accompanying materials, was published at the eConsultations portal and the website of the Ministry of Human and Minority Rights and Social Dialogue, between 19 May and 8 June 2022. The Report on the Public Debate was uploaded on the website of the Ministry of Human and Minority Rights and Social Dialogue and the eConsultations portal.

The Strategy has one Overall objective and four specific objectives, which are achieved through 20 measures. The Action Plan entails the execution of 17 measures. Three measures are not included, because the period of realization of this Action Plan is shorter than two years, but their realization is to be included in one of the upcoming action plans.

Measures not included in this Action Plan are: One measure within specific objective 3: Measure 3.5 Improving citizens' awareness of the role of CSOs in socio-economic development, and two measures within specific objective 4: Measure 4.1 Continued and strengthening of active cooperation of public authorities participating in negotiations on European integrations and the National Convention and other CSO platforms, and Measure 4.7. Strengthening the transparency of CSO financing through the funds of local self-government units.

3. FINANCIAL RESOURCES NECESSARY TO IMPLEMENT THE ACTION PLAN

In 2022, financial resources were provided in the total amount of 529,250,000.00 RSD. In 2023, the amount of financial resources is to be 530,650,000.00 RSD, in accordance with the balance capacities of the budget of the Republic of Serbia. The total amount for the entire validity period of this Action Plan is 1,059,900,000.00 RSD.

All financial resources necessary for the realisation of the activities shown in the Draft Action Plan were provided in 2022 in accordance with the Law on Budget (*The Official Gazette of the Republic of Serbia*, No. 110/21). In 2023, financial resources will be planned in accordance with the limits defined the Ministry of Finance for all budget beneficiaries, within the cited budget sections and respective programmes which include the planning of financial resources for the realisation of activities indicated in this Action Plan. In that regard, this Action Plan does not require additional financial resources from the budget of the Republic of Serbia.

Certain activities are to be financed from donor funds. In this regard, in accordance with Article 58, paragraph 1, point 4), indent 3 of the Regulation on Methodology for public policy management, public policy and regulation impact analysis and content of individual public policy documents (*The Official Gazette of the Republic of Serbia*, No. 8/19), these measures shall be implemented conditionally, as they are financed from donor sources.

All the activities which are stated to be within the framework of the Programme which are realised with the financial resources provided in the budget entail regular activities by civil servants and state employees as prescribed for them, whether it is their participation in working groups or individual activity in monitoring the implementation of regulations or development of certain analyses, reports, data collection etc. and do not require special budgeting.

The implementation of measures prescribed in this Action Plan will not affect international financial obligations of the country, since no borrowing has been planned. Allocated financial resources by measures are indicated in chapter 4. Action Plan.
